<p><b>How to introduce the test</b></p>	<p>It is important to brief pupils fully at the start of each test. You should use this script to introduce Paper 1: questions.</p> <p><i>This is the key stage 2 English grammar, punctuation and spelling test Paper 1: questions. You should have Paper 1: questions in front of you. You will need a blue or black pen or a dark pencil. Write your name, date of birth, school name and DfE number on the front of your test paper. [If any pupil's name differs from the name provided during pupil registration, instruct the pupil to write both names on the paper.]</i></p> <p><i>Open your test paper to page 3. I will read the instructions to you.</i></p> <p><b>Questions and answers</b></p> <p><i>There are different types of question for you to answer in different ways. The space for your answer shows you what type of answer is needed. Write your answer in the space provided. Do not write over any barcodes.</i></p> <p><b>Multiple-choice answers</b></p> <p><i>For some questions, you do not need to do any writing. Read the instructions carefully so that you know how to answer each question.</i></p> <p><b>Short answers</b></p> <p><i>Some questions are followed by a line or a box. This shows that you need to write a word, a few words or a sentence.</i></p> <p><b>Marks</b></p> <p><i>The number under each line at the side of the page tells you the number of marks available for each question.</i></p> <p><i>You should work through the booklet until you are asked to stop.</i></p> <p><i>Work as quickly and as carefully as you can. If you finish before the end, go back and check your work.</i></p> <p><i>You have 45 minutes to answer the questions in this booklet.</i></p> <p><i>You should try to answer all of the questions. If you can't answer a question, move on to the next one and return to it later if you have time.</i></p> <p><i>Pay particular attention to any instructions within test questions.</i></p> <p><i>To make sure your answers can be marked, don't write in the grey areas, on the barcode or on the lines at the top and bottom or the edge of the page and don't crumple your test paper.</i></p> <p><i>If you want to change your answer, put a line through the response you don't want the marker to read. If you have to use a rubber, make sure you rub out your answer completely before writing a new one.</i></p> <p><i>If you have any questions during the test, you should put your hand up and wait for someone to come over to you. Remember, we can't help you to answer any of the test questions.</i></p> <p><i>You must not talk to each other.</i></p> <p><i>Are there any questions you want to ask me now?</i></p> <p><i>I will tell you when you have 5 minutes left. I will tell you when the test is over and to stop writing.</i></p> <p><i>You may now start the test.</i></p>

<p><b>How to deal with issues during the test</b></p>	<p>It is impossible to plan for every scenario. Whatever action you take, pupil safety must always be your first consideration.</p> <p>In the following circumstances, you will need to stop the test either for an individual pupil, group of pupils or for the whole cohort:</p> <ul style="list-style-type: none"> <li>● test papers are incorrectly collated or the print is illegible</li> <li>● an incorrect test has been administered</li> <li>● a fire alarm goes off</li> <li>● a pupil is unwell</li> <li>● a pupil needs to leave the room</li> <li>● a pupil is caught cheating</li> </ul> <p>If you need to stop the test:</p> <ul style="list-style-type: none"> <li>● make a note of the time</li> <li>● make sure pupils are kept under test conditions and that they are supervised</li> <li>● if pupils have to leave the room, ensure they do not talk about the test</li> <li>● speak to your test co-ordinator or a senior member of staff for advice about what to do next</li> <li>● consider contacting the national curriculum assessments helpline on 0300 303 3013 for further advice</li> </ul> <p>You should brief your headteacher on how the incident was dealt with once the test is over.</p>
<p><b>What to do at the end of the test</b></p>	<ul style="list-style-type: none"> <li>● If you need to make a transcript of a test script, complete it with the individual pupil at the end of the test, under test conditions. Particular care should be taken to ensure accurate transcriptions are made and the pupil's answers, including spelling, are not corrected or amended.</li> <li>● Ensure that you inform your senior member of staff or test co-ordinator if you have made a transcript, or if a pupil has used a scribe, word processor or other electronic or technical device. This is so that they can complete the appropriate online notification.</li> <li>● Make sure you have collected every test script, including any unused test materials. Return them immediately to the senior member of staff who is responsible for collating the tests.</li> <li>● Do not look at, review or amend pupils' answers in any way (unless it is necessary to make a transcript). If you tamper with or make changes to pupils' answers, it will be considered maladministration and results could be annulled.</li> <li>● Do not keep or photocopy test scripts for any reason.</li> <li>● Ensure that any unused test materials are stored securely until Monday 22 May.</li> </ul>
