Writing Test Longer Task: Instructions and Planning

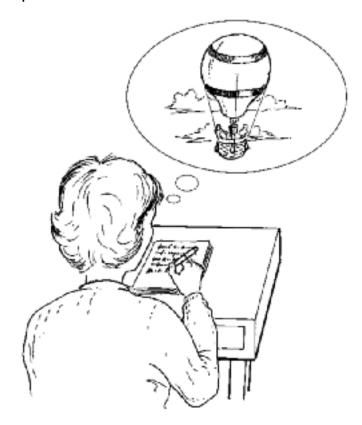

Your teacher will read through this booklet with you.

You will have **45 minutes** for your longer piece of writing, including up to **10 minutes** for planning. You may start your writing as soon as you have finished planning.

Up, Up and Away

Imagine that you won a competition and the prize was a flight in a hot air balloon, something you had never done before.

You write a diary the evening before you go on the flight and the evening after you have been on the flight describing your thoughts, feelings and experiences.

Your task is to write TWO diary entries – one for the evening before and one on the evening after the balloon flight.

You can use your imagination to make up the details.
